Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: (____) _____ - _____ Email: _____

- Adopters must be 21 or older to be considered for adoption of one of our dogs. I am prepared for the financial burden of spending \$50 or more monthly for proper food, heartworm and flea prevention, annual vaccinations and check-ups, and additional costs should medical or behavioral issues arise over the years.
- While we give adopters all available information on our animals, there is no guarantee on the animal's age, breed, health, future size, temperament, or longevity.
- All of our dogs are to be pets, kept indoors as a family member and are not to be chained outdoors or left to live outdoors only.
- I will obey local leash laws and keep a collar and name tag with my phone number on the animal.
- No puppies/dogs shall be debarked, cropped, or docked post-adoption. No exceptions.
- All dogs will receive annual veterinary exam, maintain appropriate vaccinations and remain on heartworm and flea preventative.
- Adopter acknowledges that there can be a transition period involved when bringing home a new pet. Adopter agrees to enlist the help of a professional dog trainer/animal behavioralist if needed during this transition or at any other times needed.
- The adopter may not sell, trade, or give away the adopted animal to any person. If adopter becomes unable to keep the animal it will be returned only to K9 Lifeline Rescue. You are responsible for contacting the rescue and allowing a reasonable amount

of time for the rescue to make a space for the animal to return to the facility or foster care. Adoption fee can be refunded in full for up to 14 days.

- I agree that no action, claim, demand, or suit shall be brought by me against K9 Lifeline Rescue, its agents, officers, or veterinarians arising from this adoption agreement. Adopter releases K9 Lifeline Rescue and any fosters from any liability or cause of action related to the adoption or behavior of the dog post-adoption.
